The Camino Frances in northern Spain is the most popular route of the Camino de Santiago, and one of the most travelled pilgrimage routes in the world. This two-volume set of guidebook and map book covers the whole 784km route from Saint-Jean-Pied-de-Port in southern France to Santiago de Compostela, which can be walked in 4–5 weeks.

Divided into 6 sections, this comprehensive guide includes an additional section taking pilgrims from Santiago de Compostela to Finisterre on the Galician coast. Each section is broken down into stages with easily customisable start and finish points due to the amount of accommodation available en route. Over 500 of these pilgrim lodgings are listed within this guidebook, including all public and private albergues, with contact details and a description of facilities available. The accompanying map book covers the entire route, showing the locations of accommodation and services, and includes over 100 town and village maps.

Alongside the extensive stage planning table and downloadable app, this two-part guidebook and map book provides an abundance of information that allows complete customisation of the Camino, making this an ideal guidebook for all pilgrims walking the Camino Frances.
