Edition: **Second** (replaces 0902363840)

Author: **John Earle**

Paperback Gloss Laminated, 256 pages

17.2cm x 11.6cm

Dartmoor has been called the last great wilderness in England, where it is possible to get further from civilisation than anywhere else. It is wild and lonely, with remote areas of uplands and mountains; even in holiday periods, you can get away and walk all day without seeing a soul

This guide is the second edition of this established and successful book, updated with the latest information to ensure a memorable visit. With full colour maps and photographs, it makes an excellent introduction to the moor and the national park for walkers.

With over 45 routes varying from easy to challenging and several longer walks, this is the definitive guide to all that is best about Dartmoor-s walking.

Key marketing points

- Full introduction to Dartmoor, its history and the background to getting the best from walking there.
- 42 day walking routes throughout Dartmoor
- outline descriptions of five further long-distance routes
-

About the author

John Earle is an experienced mountaineer, TV film maker and trek-leader. He runs a successful outdoor education centre on Dartmoor and is well known for his films about Cornwall and Dartmoor. He is also author of Cicerone guide to Cornwall and Exmoor and the Quantocks.
