Price: **£25.00**

Edition: **First**

Author: **Chris Townsend**

Paperback Gloss Laminated, 560 pages

23.4cm x 15.6cm

This comprehensive book is an excellent resource for those who wish to venture into the mountains.

Scotland has a huge range of mountain landscapes, from the Southern Uplands' rolling hills to the Cairngorms' arctic plateaus to the jagged peaks of Torridon and Skye. 283 majestic summits rise above 3000ft – the famous Munros – and below them are spectacular lochs, forests and rivers.

The various scenery has something for everyone: massive cliffs for rock and ice climbs, long high ridges for hillwalking, rolling plateaus for ski touring and forests and glens for long-distance walks. There is ample opportunity for wild camps as well as other accommodation options.

- all Scotland's ranges described, grouped into 7 regions. With overviews and detailed mapping.
- overview of key ascents, access, bases and recommended walking and climbing guides

## Key marketing points

- Important all-embracing guide for the mountain adventurer
- Author has served as President of the Mountaineering Council of Scotland
- Superb photography and exceptional detail

## About the author

Award-winning author Chris Townsend was the first person to complete a continuous round of all the Scottish Munros and Tops. He has also walked across the Scottish mountains from coast to coast 14 times. Chris has served as President of the Mountaineering Council of Scotland.
