The unique appeal of the Brecon Beacons National Park is the variety of its landscape. The four geographical areas – Mynydd Du, Fforest Fawr, Brecon Beacons and the Black Mountains – all offer quality mountain and valley experiences. This guidebook describes 45 little-known circular routes, right across the Park.

Guided walks in the Brecon Beacons are very popular and often over-subscribed. *Walking on the Brecon Beacons* invites you to explore on your own, enjoying the solitude, tranquillity and wilderness, but with all the interesting facts at your fingertips that an expert park ranger would provide.

- 45 routes described, of varying lengths, with a summary table to help you choose according to difficulty and points of interest
- packed with information on local geology, botany, archaeology, history and environmental issues

Key marketing points

- Easily accessible Welsh National Park
- 45 varied routes
- Fully updated second edition

About the author

Andy Davies lives near Marloes in Pembrokeshire where he works in marine nature conservation and as a professional writer and photographer. He also creates limited edition prints of abstract and impressionistic wildlife images. David Whittaker has enjoyed the mountains of Britain all his life, walking and climbing in Wales, Scotland and the Lake District. He has also trekked and climbed all over the world. He is an Emeritus Professor of Forensic Dentistry and in 2003 received the OBE for his work.
