This is a new edition of the first volume of the Nuttalls- list of summits of England and Wales. This book (Volume 1) sets out the 190 mountains in Wales which reach the height of 2000ft, including the two most recently designated summits of Castell y Gwynt and Carnedd y Filiast North Top. Illustrated with the authors- sketches and maps, the walker is taken to Wales- 2000ft summits in a selection of 49 walks. By completing the walks, the reader will ascend all the Welsh 2000ers.

Key marketing points

- Includes walks in Snowdonia.

About the author

John and Anne Nuttall have compiled a list of all the hills over 2000ft in England and Wales, and have constructed walks that take the enthusiast to them on the most enjoyable paths. Together with The Mountains of England and Wales Volume 2: England John and Anne Nuttall have established a tradition of collecting 'Nuttalls' comparable to Munro bagging. When not roaming the hills, they live in Cheshire with their family.
