

WALKING THE CORBETTS

VOL 2 NORTH OF THE GREAT GLEN

ISBN: **9781852846534** (Short Code: 653)

Publication Date: **August 2013**

Price: **£16.95**

Edition: **First**

Author: **Brian Johnson**

pvc Encapsulated, 352 pages

17.2cm x 11.6cm

This guidebook, one of a two-volume set, describes hikes up all 109 Corbetts (Scotland's 2500–2999ft mountains) north of the Great Glen. They provide fantastic walking and many are still little-climbed, with hardly any experience of crowds in some of the most magnificent mountain scenery in the world. Although the slopes can be rough and rocky, few of the routes in the guide involve scrambling. They can be climbed at any time of year but the going can be relatively tough and navigation demanding in mist and poor weather. The guide is not intended primarily for peak baggers, who want the shortest, easiest option, but rather for walkers who want the best, most interesting routes.

Key marketing points

- The only practical guidebooks for climbing and 'collecting' the Corbetts of Scotland
- Some, like 'The Cobbler' have been climbed by thousands, while others barely ever have visitors
- For the summit collector and general Scottish hillwalker

About the author

Since taking early retirement from teaching, Brian Johnson has hiked the Pacific Crest Trail three times, completed a 2700-mile walk round Britain, hiked across the Pyrenees three times and completed a 2200-mile cycle tour of Spain and France. He has achieved a single summer completion of the Munros and has climbed all of the Corbetts.
