This guide provides 45 walking routes revealing all the best walking to be had on Tenerife, including routes on the slopes of, and ascent of El Teide, and along the GR131. With distance and difficulty ranging mainly from 4-12 miles and from easy to arduous there is suitable challenge for walkers of all abilities, including a 20 miles 'Three Peaks of Tenerife' tour.

With the high-altitude Parque Nacional del Teide and lush laurisilva forests of Anaga, Tenerife has excellent natural scenery all over the island. Most paths are well marked by a network of signposts, and the guide suggests good bus services to gain access to and from start and finish points on linear routes. Shorter routes can be linked together, with further traditional routes linking mountain villages. The book also includes details of the island's local facilities.
