Edition: **Fourth** (replaces 9781852845865)

Author: **Paddy Dillon**

Paperback Gloss Laminated, 96 pages

17.2cm x 11.6cm

Basking in sunshine, rising green and pleasant from the blue Atlantic Ocean, fringed by rugged cliffs and sandy beaches, the Isles of Scilly are a joy to explore. This guidebook includes 11 walks between 2 and 16km long. The larger islands such as Tresco, St Martin's, St Mary's and Bryher are explored alongside smaller islands in the archipelago. Alongside the walks, which are suitable for walkers of all abilities, are 4 Boat Trips which explore Annet and the Western Rocks, the Norrard Rocks, St Helens and Tean as well as the Eastern Isles.

The Isles form the smallest of Britain's Areas of Outstanding Natural Beauty, and their shores have been designated as Heritage Coast. The surrounding sea is protected as a marine park. Archaeological remains abound, not only on the islands, but submerged beneath the sea. While the walks in this guidebook could be completed in as little as a week, a fortnight would allow a much more leisurely appreciation of the islands, and leave you with memories that will last a lifetime.

Key marketing points

- A detailed guide to walking throughout the islands
- Fourth edition
- Details of boat trips between the islands, and other useful information for exploration on foot
-

About the author

Paddy Dillon is a prolific walker and guidebook writer, with over 60 books to his name and contributions to 25 other books. He has walked all of Britain's National Trails and several major European trails. He has also walked in Nepal, Tibet, Korea and the Rocky Mountains of Canada and the US. Paddy is a member of the Outdoor Writers and Photographers Guild.
