This guidebook describes the Cotswold Way National Trail, a 102 mile route between Chipping Campden and Bath that explores the Cotswolds AONB. The route is divided into 13 stages, providing a fortnight's walking, though the trail can be walked in as little as five days.

The Cotswold Way offers a wonderful walker's landscape, featuring beautiful woodland, pretty cottages and ancient battlefields. The route can be walked all year round, and is suitable for beginner trekkers.

Step-by-step route descriptions for walking the trail in either direction are accompanied by 1:100,000 OS mapping, and a separate OS 1:25K map booklet showing the entire route is also included. A trek planner gives at a glance information about facilities, public transport and accommodation available along the way. The guidebook also provides background information on local geology, wildlife and history.

Key marketing points

About the author

Kev Reynolds is a freelance writer, photojournalist and lecturer. A prolific compiler of guidebooks, his first title for Cicerone Press (Walks & Climbs in the Pyrenees) appeared in 1978; he has since produced many more titles for the same publisher, with others in the pipeline. A member of the Outdoor Writers- Guild, the Alpine Club and Austrian Alpine Club, his passion for mountains and the countryside remains undiminished after a lifetime's activity, and he regularly travels throughout Britain to share that enthusiasm through his lectures.
