This guidebook presents a selection of 45 day walks on the popular and accessible Isle of Arran. The routes are between 2 miles (3km) and 20 miles (32km) in length. They range in difficulty from easy waymarked forest trails to more arduous mountain walks, exposed ridge routes and scrambles. The book includes both linear and circular walks, and there are opportunities to link routes together and create longer walks across the length and breadth of the island.

The Isle of Arran rises proudly from the Firth of Clyde. Often described as 'Scotland in miniature', Arran boasts a rich variety of landscapes, and walks have been chosen to showcase this variety. There are few roads but ample opportunities to explore the island on foot, or using the excellent bus network.

Highlights include Goatfell, the nearby Holy Isle, Beinn Nuis, Beinn Tarsuinn, the Sannox Horseshoe, Glen Rosa and the Cock of Arran. All the routes are clearly described with OS mapping, with extra notes revealing the archaeology, history and natural wonders of the island. The book includes background information on travel to Arran, public transport, and a Gaelic/English glossary.
