Guidebook to 25 short easy walks exploring the Channel Islands of Guernsey, Alderney, Sark and Herm. Including the Guernsey Coastal Walk and part of the Channel Islands Way, the routes cover a total of 140 miles mainly on paths, tracks and quiet roads, and can be easily combined to make longer journeys.

Famous for its sunshine, history and wonderful coastline, Guernsey is a popular destination for travellers, with superb year-round walking. This guidebook presents mostly circular routes exploring both the Guernsey coast and inland. Other walks explore the smaller islands of Alderney, Sark and Herm.

Maps in this guidebook are extracted from the very detailed 1:15,000 States of Guernsey map. Occasionally, more rugged paths are used to explore the excellent cliff coastline. Includes notes on travel, accommodation and the fascinating history of the islands.
