by Kev Reynolds

Mont Blanc is Europe's most iconic mountain and the 170km tour of the massif is one of the world's classic walks. This guidebook is the ultimate companion for walkers embarking on this visually rewarding tour through France, Switzerland and Italy. It gives in-depth daily route descriptions, both for the classic 11-day anti-clockwise circuit and an alternative 10-day clockwise trip.

As a new feature, the guidebook is packaged with a convenient map booklet containing official 1:25,000 IGN mapping for the entire TMB route, and town maps for the major centres of Chamonix, Courmayeur, Les Contamines and Champex.

Crossing 7 passes and 7 valleys, the TMB wends its way through some of Europe's most spectacular mountain scenery, with stunning views throughout of the peaks and glaciers of the magnificent Mont Blanc massif.
